

# CRASH COURSE

## on Finnish Politics

Are you trying to navigate the Finnish Political System? Did you take a wrong turn? Are you lost? Don't worry! Our Crash Course will provide the perfect political roadmap to help you find your way.

Amcham is offering a Finnish Politics Crash Course. Meet with top Public Affairs experts for an in-depth political analysis that will help guide your business decisions. For no extra charge – it is included in your membership.

After the two-hour course, you'll know the following:

- **How laws are prepared and decided**
- **Which influencers call the shots**
- **How so many parties in government work together**
- **The interplay between the Government & Eduskunta**
- **The origin of the Finns Party and The Greens Party**
- **The power play of Finnish municipalities**
- **Current, in-the-know political chatter**

... and more!
